

GREAT NEWS!!! WE CAN HAVE CONCERTS!!!

We will have two concerts this semester. The first will be March 10th and it will just be the high school. The second will be the Outdoor Concert and will be all the bands.

The first concert (March 10) will be held in the West Gym of the high school. Beginning band will perform at 6 pm, Intermediate will be at 6:30, and Advanced will be at 7.

Students will need to arrive 15 minutes before their performance time. Attire will be discussed later. More information to come on this.

We will not be letting the audience in until the gym is clear of all audience members from the previous band. If you have a student or students in multiple bands, you will be asked to move to the top of the bleachers for the groups.

This will be a "ticketed event". Meaning I will give each student 2 tickets to use they see fit. The tickets will need to be presented to enter the concert. We will not be having an admission for the concerts.

Masks **MUST BE WORN AT ALL TIMES!** Audience members will need to be 6 feet apart from other households.

As I receive more information and guidance, I will pass it along. As we get closer, I will inform the students what dress is going to be.

We are all looking forward to a great performance. Stay safe and healthy!
